

# Kure Pet Food Privacy Policy

This policy effective October 12, 2021

## **1. Kure Pet Food (We) never collects your Personal Info except to communicate with you**

We don't collect any of your Personal Info. Unlike most websites, our site doesn't collect your IP address.

We may request your email address or a username to communicate with you. This info is used only as you'd expect and deleted upon request.

## **2. Disconnect never sells your email address or any other Personal Info you volunteer**

We don't receive payment in cash or in kind from third parties in exchange for your Personal Info. Further, we don't allow third parties to collect info about you on our site through cookies or other means.

## **3. Disconnect shares your Personal Info only in specific circumstances**

There are a few, rare circumstances when we may have to share your Personal Info either to obey the law or protect our rights. We'll share your Personal Info only to comply with laws or legally enforceable requests, to enforce our own rights and contracts with users or third parties, or to prevent harm to others and their property in an emergency situation.

In all instances, we'll share the minimum info necessary to meet the immediate need and inform you of our disclosure when legally and practically possible.

## **5. Transparency report**

As explained above, we will comply with a request for user data when the law requires it, but we require valid legal process to compel the disclosure of user data to the government; such as a legitimate and properly scoped court order, or a search warrant supported by probable cause and issued by an appropriate law enforcement authority. We interpret requests narrowly, and we will oppose unlawful or overbroad requests for specific user data.

Recipients of National Security Requests can only publish reporting bands instead of specific figures. If we receive such a request, we may challenge these reporting bands, in addition to opposing any unlawful or overbroad requests.

## **Changes to this policy**

We may make small, inconsequential changes to this policy with or without notice to you, so you're encouraged to review the policy from time to time.
